Coordinated Entry System (CES)

- CES is a countywide system that brings together new and existing programs and resources in order to connect people experiencing homelessness to the most appropriate housing and services to end their homelessness. This system-wide coordinated effort has resulted in more of our homeless neighbors moving from the streets to homes.
The Goal of CES

- To create a system that is easier for people experiencing homelessness to access and navigate and is:
  1. Effective
  2. Efficient
  3. Fair

Measure H and Proposition HHH

Measure H (County of Los Angeles)

Sales tax generating $355 million annually for services and program to prevent and combat homelessness:

• Rapid Re-housing
• Permanent Supportive Housing
• Enhancing Emergency Shelter System
• Homelessness Prevention for Families, Individuals, and Youth

Proposition HHH (City of Los Angeles)

$1.2 billion bond measure estimated to build 10,000 units of permanent supportive housing over the next 10 years for the chronically homeless
**Seizing the Moment:** Historic opportunity to combat homelessness throughout LA County

- Launched on August 17, 2015
- To develop a comprehensive set of recommended County strategies to combat homelessness, including opportunities for cities
- Inclusive and collaborative planning process involving over 1,100 experts and community members focused on what works
On February 9, 2016, the Board of Supervisors adopted a coordinated set of 47 strategies to combat homelessness, including strategies in which cities, businesses, and faith leaders can participate.

New one-time funding approved: $99.7 million.

There is an urgent need for an ongoing revenue stream to fund homeless services and programs.
1/4 cent County Sales tax that will generate an estimated $355 million annually for 10 years to be used to prevent and combat homelessness.

Goal: In first 5 years, enable 45,000 families/individuals to exit homelessness and 30,000 others to stay housed.
