**Notes:**

1. Newly homeless persons are defined as persons who are homeless for the first time, and report a duration of homelessness of less than one year.
2. Los Angeles Continuum of Care covers Los Angeles County except Long Beach, Pasadena, and Glendale.
3. Youth households includes unsheltered individual transition age youth (TAY), young families with a head of household 18 to 24 and at least one child under 18, and unaccompanied minors under 18.
4. Adult households includes unsheltered single adults 25 and older, and adult families with a head of household 25 and older and at least one child under 18.
5. Health/Disability indicators are not mutually exclusive (a person may report more than one). Numbers will not add up to 100%.
